

ZAPRASZAMY! You Are Invited!

On May 3 through May 5, 2024, the Polish American Congress – Ohio Division, in collaboration with Polish Village Parma, will host **Polish Constitution Weekend** and we invite you to join in the celebration.

Commemorating the signing of Europe's first democratic constitution, these events bring together Polonia throughout the nation and around the world with local people who mark this occasion to celebrate their *shared heritage of freedom, and democracy!*

The Polish American Congress is an umbrella organization under which all Polish groups of Ohio can express pride and show solidarity in our culture. In addition, the PAC is one of the few ethnic organizations with representation in Washington, D.C., to advocate on issues critical to our people - *like the current Ukrainian conflict.*

Through the support of donors like you, the PAC's Charitable Foundation has assisted numerous Poles needing help, from those suffering from natural disasters to children's orphanages. In addition, the Ohio Division supports our local community by offering academic scholarships, cultural exchanges, and employment opportunities to students of Polish descent.

This year we share our heritage with the community through two days of activities, including a **very popular community parade!** *the Polish American Congress fulfill its mission to promote civic, educational, and cultural programs and stimulates all people to have pride in their culture.*

Please return the enclosed form with a check payable to the POLISH AMERICAN CONGRESS, OHIO DIVISION, before Friday, April 20, 2024. Your support will be proudly displayed.

Please email the 2024 Celebration Committee at pacohparade@gmail.com with any questions. Thank you for your consideration.

Sincerely,

Tomasz Kacki, President
